To whom it may concern,

For over 3 years I worked as a pedagogical advisor to Yehudit Danoff.

Yehudit, as a teacher, displayed professionalism and dedication. Her sole aim was for the students to succeed and reach their goals in learning to communicate effectively in English.

She is an excellent teacher, who creates fun, motivating lessons.

Yehudit puts her heart and soul into her work and I wish her luck in all her future endeavors.

Yours sincerely,

Netti Susman
Pedagogical Advisor
